Global Jet Capital is pleased to offer this exceptional Dassault Falcon 2000LX for lease or sale. The tastefully appointed cabin features a forward galley, an aft lavatory and passenger cabin that comfortably seats eight, plus a two-place divan that is not rated for take-off or landing. The flight deck features Falcon's EASy II avionics suite and is compliant with all current mandates. Engines are enrolled in Pratt & Whitney's ESP Gold program.

With over \$2.6B in assets under management, Global Jet Capital specializes in financial solutions for the business aircraft market.

The company is capitalized by world-class private investors with expertise in the global aviation industry: The Carlyle Group, AE Industrial Partners, and FS / KKR Advisor, LLC, a partnership between FS Investments and KKR Credit.

Capitalized by three global investment firms, and managed by a team of industry veterans, Global Jet Capital has been committed from day one to providing a full range of customized financing solutions solely for business aviation. This, combined with our unparalleled asset management expertise, allows us to offer clients flexible lifecycle solutions to fit their individual and changing aviation and financial requirements.

The fact that Global Jet Capital is one of the industry's largest lessors of business aircraft means that we also own one of the largest fleets of well-maintained, recent-model business aircraft in the industry. Recently off-lease aircraft can be an ideal choice for those considering an upgrade or an addition to their fleet.

Most importantly, whether you're purchasing or leasing from our fleet, you're getting more than just a quality pre-owned aircraft. You'll have access to a dedicated team committed to ensuring you receive a hassle-free customer experience.
